

MOUNTAINS AND LAKES OF EASTERN SERBIA

Stay at the lakes and mountains of eastern Serbia with members of Cluster “The Magic of East”

A large selection of restaurants and cafes that offer national cuisine, fish specialties, barbecue and drinks from Eastern Serbia

The tour includes a visit to Bor, Zajecar, Boljevac and Sokobanja

FIRST DAY (optional)

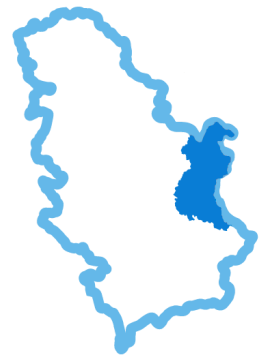

Entering Serbia from the direction of Bulgaria or Belgrade and driving to Bor

Bor

- A panoramic view of Bor and the surface mine of one of the largest copper mines in Europe. The visit includes a tour of French architecture in Bor (Mining Faculty Building, RBN Administration Building, Hospital).
- Visit to the museum in Bor, where there is a unique display of mining and metallurgy and the history of mining in this area.
- Visit to the Zoo in Bor, one of the most beautiful in Serbia. On an area of about 2 ha, more than 70 species of animals or over 130 individuals live in the garden.

Lazar's canyon

- Lazar's canyon is located about 4 kilometers from the village of Zlot. It's the deepest and longest canyon in Serbia. It's known for its numerous caves and pits. It's about 4.5 km long and up to 350 m deep. The Malinik mountain (1,087 meters) is in the immediate vicinity of the Lazar's canyon.

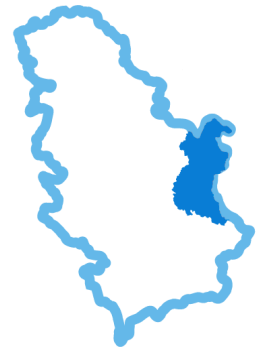

MOUNTAINS AND LAKES OF EASTERN SERBIA

Lake Bor

- Lake Bor is located at the foot of the “Crni vrh” mountain and is a real pearl of Bor tourism. In the summer months, the water temperature reaches 25 degrees, which is ideal for the development of bathing tourism.
- Accommodation and stay, Recommendation - Hotel “Albo” in Bor. It’s located at the entrance to Bor and has 76 beds. The hotel's restaurant stands out for its distinctive cuisine. The menu includes traditional dishes and a large selection of drinks.

SECOND DAY (optional)

Zajecar

- A walk through the city with a tour of the National Museum, the Nikola Pasic Memorial and the Church of the Nativity of the Blessed Virgin Mary. The church was built in 1839 by order of Prince Milos Obrenovic, and the current icon painting dates from 1877.
- Recommendation - Caffe - patisserie Stella Lux Zajecar, located on the town square. It offers traditional cakes, tarts, as well as well-known ice cream. In addition, a wide selection of refreshing drinks during the summer months and salep that can warm you up on cold days.
- Lunch, Recommendation - Irish Pub Rivendell Zajecar - This iconic place was founded more than 20 years ago. The building consists of a restaurant, a greenhouse and a garden. Guests can enjoy a rich gastronomic offer and a rich selection of cocktails that are the best in town.

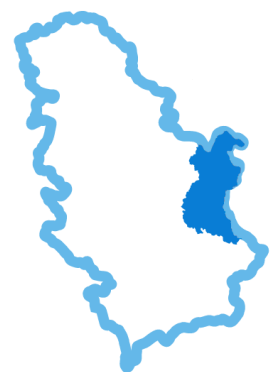

MOUNTAINS AND LAKES OF EASTERN SERBIA

- Felix Romuliana archaeological site. The late antique castle of the Roman emperor Gaius Valerius Maximilian Gallery. It stands out with beautiful floor mosaics and sculptures. Since June 2007. It's included in the list of World Cultural Heritage under the auspices of UNESCO.

Boljevac

- Overnight stay. Recommendation - - Ilino. Overnight stay. Recommendation: ethnic object Onomad in the village of Ilino. ONOMAD is located in the center of the village, 100m from the spring "Ilino". It consists of two renovated houses, a yard, a stable, a basket, a wine cellar and the first library in the village. Accommodation relies on tradition, natural resources and at the same time provides all the conditions of modern accommodation for up to 8 people. The guests of the household like to spend most of their time in the pool-bar, which is heated throughout the season.

THIRD DAY (optional)

Boljevac – Rtanj

- In the settlement of Rtanj, which was built next to a former mine at the foot of the mountain, you can visit the old mining shaft and the beautiful Greta Park, which is next to the settlement itself. As part of your visit at the foot of the mountain, you can take a walk along the health trail and visit the ethnic settlement to which the trail takes you.

MOUNTAINS AND LAKES OF EASTERN SERBIA

Sokobanja

- Tour of the spa - a walk in the pedestrian area and a visit to the local museum. Departure to Amma, which is a Turkish bath built in the 15th century on the foundations of Roman baths (and more recently a wellness center) and is the perfect place to relax.
- A short trip to the beautiful Ripaljka waterfall, which is also one of the highest waterfalls in Serbia, and to the picnic area "Očno".

Bovan lake

- It's located not far from Sokobanja. On a length of about 7 km, numerous fishermen meet. There are several well-maintained beaches for bathers, and the water is very pleasant for swimming, rowing, sailing, and pedal boats. Departure to Bulgaria or Belgrade.

Package price: It will be formed in cooperation with local travel agencies.
